Conclusion of the anniversary activities with the party and show band "Alpin-Pop"

Come with us on a musical tour around the world at the end of our anniversary. The four thoroughbred musicians under the leadership of Walter Burkard have mastered a vast range of musical instruments – from alorns to burning trumpets, keyboards, bass guitars and medieval fanfares – there is no musical instrument that they do not know! The two female singers not only look great but have wonderful voices, too.

To enter the festival a **“pavement toll”** (Pflasterzoll) will be charged. The following tolls will be collected by the town guards on entrance to the market and historic centre festival area:

Adults: 3 Taler (Euro)
Families: 10 Taler (Euro)

Costumed folk and children smaller than a sword's length as well as people with [serious] disabilities need not pay the pavement toll to enter. The entrance toll is valid for one or two days. Thus, whoever would like to visit the market on the second day and is able to prove that they have already paid the pavement toll, will be allowed free entry.

19 CET

„Full stop“, Frankfurt's popular party band

The band is already well known to most Eppsteiners from the carnival celebrations collectively organised by the TSG Eppstein and the voluntary fire brigade. “More partying is impossible” is the slogan of the band and its front man Markus Kochen. This they have proven more than once in Eppstein.

Admittedly, a large leap from the middle age festival to a modern party!

The entrance fee is included in the pavement toll (see above).

Let yourself be surprised and celebrate with us!
